Unless a part of the Parent & Tot/Gymny Cricket programs, or an approved aide, Parents of children under the age of 6 are asked to stay on site in case of emergencies.

2. Parents are kindly asked to Drop Off Athletes to the Gym Door. This ensures that classes are not cancelled and the child arrives safely.

3. Emergencies: Please ensure that we have an up to date emergency phone number on file.

Gym Attire and Changing

Athletes are asked to come to the gym in their gymnastics attire. During COVID change rooms will not be used for recreational classes. If necessary, we have two family size washrooms which may be used for changing.

Athletes should wear a body suit or shorts and a t-shirt in the gym. **No sports bras or crop tops.** Long hair must be tied back. All jewelry must be removed, except for small stud earrings. Gymnastics is done in bare feet.

Adapted Gymnastics

SSMGC strives to ensure that all participants receive the best in coaching and have a positive experience while at the club. Our programs accommodate all people including individuals with special needs.

Have your child's birthday at one of the coolest places in town! Our parties are hosted by enthusiastic certified coaches and happen right in our gym! Parties are held on Saturdays during the school year beginning at 4:15 pm. Cost is dependent on number of children:

1-10 = \$150, 11-15 = \$175, 16-20 = \$200

The hour includes instruction from two certified coaches who lead the children through games and structured gymnastics activities. Coaches are responsible for supervising all activities and ensuring the utmost safety of all children while in the gym. They are responsible for enforcing SSMGC policies. During the birthday party, one parent/guardian of the birthday child may enter the gym to take pictures. Other parents may not enter the gym unless they are accompanying a child under 3 years old. If a parent joins the party, their main objective in the gym is to keep their child with the coach and group.

At this time no party room will be available to ensure the birthday in the gym can have the requested number of children.
